## **Ahead of the meeting**

As this is a virtual meeting, we are unable to 'hand out' the usual information packs. We have therefore added the documents, including our **Annual Report**, the **Agenda & Minutes** to our website at the link below. Please follow the link to view these ahead of the AGM

<https://www.credit-union.coop/annual-report-accounts/>

## **At the virtual meeting**

At the start of the AGM, we will run through how the virtual AGM will work.

All Attendees will be 'muted' during the AGM.

You are encouraged to submit questions in advance but you can '**ask virtual questions**' at any time by typing in the '**Question**' section during the meeting. We will be monitoring questions throughout the meeting, and will either reply in the question area, raise your question during Any Other Business, or in some cases, respond afterwards. By submitting questions in advance you are more likely to get a proper considered response.

Voting will be live in the meeting with instant results. The vote will be on screen, and members simply select their preference. We will hold a test vote at the start of the meeting, so that everybody can practice before the main voting takes place.

Thank you for taking time to read these instructions. We look forward to welcoming you to our virtual AGM.

If you have any queries in the meantime, please do not hesitate to get in touch.

Yours in co-operation.

Martin Groombridge,  
Chief Executive Officer
