

Election Statement – Chikezie Ekeanyanwu

I am standing for re-election to the Board of London Capital Credit Union where I have proudly served since being elected in 2023.

With 25 years of experience in strategy, business and finance, including roles in financial derivatives risk management innovation in major global financial institutions such as JPMorgan, UBS and Deutsche Börse - as well as consultancy work with investment banks across major global financial centres, and past experience where I served as a Non-Executive Director of a housing association and currently serving on the board of the ACCA Benevolent Fund, I bring strong strategy, analytical, financial, governance and planning skills to the Board.

As a member of the Board, I have worked to support sound governance while contributing to improvements in member experience, fair value and service quality. I am committed to ensuring that every decision we make supports good outcomes for our members and reflects the values of ethical and affordable finance.

I recognise the financial pressures many households face, and I am dedicated to supporting programmes that help members save confidently, borrow responsibly and improve their long-term financial wellbeing.

It would be a privilege to continue serving you and to help ensure that our Credit Union remains ethical, resilient and firmly centred on the needs of its members.
