

**Nomination: Monica Kaur, Board Member, London Capital Credit Union**

Monica currently works for the Money and Pensions Service (MaPS), supporting employers and employees from the private, public and voluntary sectors with financial wellbeing. MaPS is the leading organisation for the UK, supporting consumers with their money and pensions.

Part of MaPS Financial Wellbeing Strategy, one of the key areas is to encourage consumers to save more on a regular basis. Monica supports this by working closely with a range of Credit Unions in London and promoting their services to employers.

Having worked with a range of Credit Unions across London, she feels she has the necessary skills to support London Capital Credit Union and is very keen to raise their profile, with all the great work they do.

Monica has experience of organising large scale events, key speakers and bringing organisations together. Monica is keen to become a Board Director of London Capital Credit Union, so she can share her knowledge and experience, utilise her skills, form more networks and have fun. In her spare time she likes to cook, watch Rom-coms and dance.
